Dear Club,

When I took up horse riding, the only thing that my boyfriend, Mike, could think of saying was, "I can't wait to see you in jodhpurs!" Whilst I was a bit pissed off with him at the time, I've since found that I love to wear them. I feel incredibly sexy, arriving home with my body squeezed into tight material that shows off all my curves. He's been careful not to make any more comments, as he knows how seriously I'm taking each lesson, so as a reward I decided to give him a treat.

My lesson was cancelled, but I didn't tell him, getting ready as usual. I made sure he watched me as I climbed into my jodhpurs, wearing only a tiny G-string underneath. As I pulled each boot on, I could see his eyes burning into me. Still naked from the waist up, I gently arched my back and took my time pinning my hair up, checking and admiring myself in the mirror. I then proceeded to place my riding helmet on and reach for my jacket. I caught his bemused look in the mirror, before turning to face him with the riding jacket half open, displaying my cleavage. His jaw nearly fell to the floor when I announced, "I thought I'd give the riding lesson today."

As I walked seductively over to the bed, he edged back with wild excitement in his eyes. Placing one leg on the mattress, I picked up my riding crop and ran it along the inside of my thigh, before placing it between my legs, taking the other end from behind and pretending to ride it. His chest heaved up and down with anticipation, and holding the crop like a jockey I crawled onto the bed slowly, straddling him. I could see the lump bulging in his trousers, so pushed my crotch over it so I could just feel his dick against my mound.

I began to grind my pussy hard against it, taking the collar of his polo shirt tightly in my hands as if I was gripping reins. The crop was still in my right hand and I increased the rhythm of my hips, sitting upright in the perfect riding position, my tits bouncing freely inside the velvet jacket. After about a minute or two, Mike suddenly pleaded, "I can't take this any more!" and yanked at the elastic waist of my jodhpurs, exposing my hips and the band of my G-string.

Letting him pull them past my knees and down to my calves, I opened his flies, his dick springing upright immediately. Mounting him again, I sunk over his shaft easily, my pussy

THE GOLDEN AGE!

Dear Club,

Being one of your older readers I've been buying club since the early 90's and I've often wondered why you state the age of your printed lovelies in *Mayfair* magazine but not in *Club* or *Men Only*, and as I'm an avid buyer of all these titles I would very much like to see the age of the girls from now on. If I'm jerking off it is a massive turn-on to know how much younger a girl is than I, especially as I'm approaching the ripe old age of 38. Is this something you could do for your readers? Also, any chance of some re-runs from bygone days? I would very much like to see a reprint of the early 90's and your much-loved centre spread of the day

Lucy! I particularly remember one shot of her dressed as a buxom cook in an old style kitchen set, trussed up in some old outfit with flour all over her bum, something that really did it for me back in my later teens.
Justin, Jersey.

This editor first started buying Club when Lucy was the regular girl, and I remember that set very well. I'll leave it up to other readers as to whether we do re-runs or not – or would you rather we kept all the pages for new girls? Or shall we bring back our 'Crack to the future' feature? As for ages – we let you know when we know – some girls can be a bit precious about that information!

OVER THE POND!

Dear Club,
Sophia, Sasha, Chloe, Amy Pond's bum – *Club* 43/5 was the perfect issue for me, especially as you added my favourite Yank in Mia as well. Any chance of getting her over to the UK to shag all my fave Brit girls? I'd like to see her and Dani Maye share a double-ended dildo, or to watch her get really dirty with Sasha. Please say yes!
Kam, Clapham

We're not sure we can pull those strings – especially as Sasha has left the world of modelling once more (although not before one last kick-arse photoshoot for Club, coming soon!), but we'll do our best. And keep it peeled for a new Club regular girl coming soon!

lips wet from the foreplay. I returned to my riding position and began to fuck him quicker, gripping his collar and telling him I was going to take him on a, "nice long gallop."

My boots were digging into his thighs as I worked myself into a shagging frenzy, his length filling me totally as I 'rode' myself to orgasm. "Cum with me," I commanded, and almost on cue I felt his warm load shoot into my hole. The amount of spunk he pumped into me was incredible. Catching sight of myself in the mirror, my head rolled back in ecstasy, I saw the rigid nipples of my tits poking out through the jacket. At that point I realised just how right he had been all along, I certainly did look and feel horny in jodhpurs. However, I felt even better with them around my ankles!

Stocking thriller...

Nina came over to do an in-house photo shoot and we got to learn at first hand just how much she loves to glam up.

"I got to pick from all the lingerie and it was like being a kid in a sweet shop," she gushed. "I could play dress up all day. It's all about maximum impact – getting the right combo to get the right look. You don't want to overdo it and look too slutty, and you don't want to have to peel too much off when things get interesting. I definitely feel powerful and much sexier when I'm wearing stockings, suspenders and high heels."

More Morgan...

A woman with long brown hair is lying on a bed with pink sheets. She is looking up and to the side with a slight smile. She is wearing a white strap-on with pink polka dots. Her hands are resting on her hips. The background is a soft-focus pink and white.

It's been a while since we touched base with Morgan, a girl with a look that does things to us in places we won't mention. Right now she's making us think of Megan Draper from *Mad Men*, but with no clothes on. "Ah, that's the teeth

thing," says Morgan, "I get that a bit. I'm flattered. I'd love to get a piece of Megan Draper, she's hot. But Joan is more to my taste, that amazing rack of hers. I bet she's like wildfire in the sack. If she isn't, I'll make her so!" ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BLACK CRACK!

Nothing turns me on more than the full, rounded globes of a young black girl's bottom. I have always been attracted to women's arses, and from my late teens sought out the big-bottomed girls. I am not talking here about fat birds. I'm talking curvy, with slim neat waists, flat bellies and nice firm boobs.

I have always been an arse watcher, frequently following a young lady with a particularly nicely rounded bum as she walked in front of me along the street. However, it was Estelle's beautiful black arse which at last provided me with the ultimate botty ride. And ever since, I have been concentrating almost entirely on botting black booty.

Estelle works at a garden centre and I had just dropped in to pick up some weedkiller for my back garden. I was about to pay and leave when I clocked Estelle's arse. She was bending over some plants and displaying her splendid buttocks in all their glory. Her jeans looked as though they were spray-painted on to her, the fabric stretched so tightly across her fabulous cheeks as to clearly define the deep cleft between each fleshy pillow. Grabbing a basket from near the entrance, I hovered, surreptitiously ogling her sumptuous curves.

There was nothing for it. I returned the next day, and the next, until I convinced her to go out with me. I usually don't go to such lengths to secure a fuck, but Estelle's arse...! I planned the evening carefully, taking her for a drink first – then on for a meal. When Estelle went to the ladies at the restaurant, I got a great view of her buttocks through the skimpy fabric of her tightly clinging dress. Her panty-line was clearly visible and although her arse was well muscled and toned, it jutted out and

wiggled in a provocative manner. I was relieved when she finally agreed to come back to my place and I ushered her into my car.

Estelle was relaxed and not a bit coy – in fact she reached for my crotch as I drove and tenderly fingered my prick. At last I had her inside the door, and, as we kissed, I cupped the twin spheres of her arse in my hands, pulling her hard against my burgeoning erection. Her lips were soft and of such generous proportions that as I sucked her bottom lip into my mouth I visualised their fleshy fullness wrapped around the thick circumference of my rod. Her hands were large with long tapering fingers... Hell, did she know just how to use them!

Soon I was squirming from her attentions as she lowered my trousers, and, putting a hand inside my jocks, fondled my balls while gently pulling my foreskin back and forth over my helmet with her other hand. My cock responded immediately, swelling and hardening to impressive proportions. Then, in one graceful, fluid movement, she dropped to

the edges of the gusset of her cotton panties.

My cock ached so hard that my eyes watered as she pulled the garment up and over her jigging bostles, which were barely contained in a matching cotton bra. I was surprised at her simple choice of underwear, remembering the assortment of satin and lace lingerie that my other birds had worn. Then it dawned on me that she had made an inspired choice: her attributes were so deliciously erotic that to adorn them with lavish underwear would only detract from their natural beauty.

Turning her onto her stomach, I began

“Pulling her bumcheeks as far apart as possible I nosed my way upward from her pussy”

her knees and began gobbling at my stonker like a fuck slut in a porno movie.

I almost fired my load as she worked her head up and down my pulsing erection, using her teeth, tongue and full lips to drive me to the edge. But her beautiful buttocks still held the most attraction for me and, desperate not to miss the opportunity to shag her beautiful black arse, I gently angled her head away from my throbbing prick.

Pulling her up to her feet, I suggested we move to my bedroom, and, pulling my pants from around my ankles, I led the way. In the bedroom I ran my hands over the soft contours of Estelle's lush body through her clothing. She moved out of my reach, and, in a blatantly teasing fashion, rolled her body-hugging dress up over the curves of her delectable derriere.

Her tiny white cotton panties stretched tightly across her bottom flesh, the brilliant white fabric in stark contrast to the deep tone of her ebony skin. Her pubic mound was pronounced and inviting, the tightly curled hairs trimmed neatly and barely visible around

running my fingers down her back, caressing her glossy dark skin. She moaned appreciatively as my fingers reached the base of her spine and stroked the gently rolling hillocks of her arse-cheeks. Obliging, she spread her legs and I moved my attention to the succulent petals that peeped out from between her tightly curled bush. They were moist and exotic looking, darker and fleshier than the labia that I was used to.

Tentatively, I pushed a finger between her pussy lips and was pleased to see that it slid in easily. She was already aroused and ready for use. I eased Estelle up onto her knees, with her legs spread and her bottom cocked in the air. The sight of her naked buttocks presented in such a lewd, vulnerable position had my heart racing.

Almost reverently, I parted her arse-cheeks to reveal the darkly pigmented ring of her anal orifice, hidden in the deep secret fissure between her arse cheeks. The dark, wrinkled rose of her arsehole was so appealing that I could not resist kissing it. She wriggled in surprise at my unexpected touch, and,

looking back questioningly, asked what I was doing. Her nervous gesture suggested to me that she was still an anal virgin.

In an effort to relax her I began licking and nibbling gently at her bum-cheeks, my tongue caressing the entire surface of each cheek before delving between the succulent folds of her pussy. Her cunt-hole was a beautiful deep shade of pink: almost red in places, with darker shading near the extremities. As she became more turned on, her juices trickled from between her thickened labia, dampening the inside of her thighs.

With my tongue buried deep inside her slot, I reached forward and rolled one of her long dark nipples between my thumb and index finger. Her pussy contracted as I squeezed her teat and I tongued her clit in an effort to bring her to climax. As I continued to stimulate her pussy and nipple I was rewarded as her pussy spasmed and with a loud moan she squirted her juices directly onto my tongue.

Stroking the silken skin of her posterior, I held firmly onto her hips and poked my erection against the entrance of her still contracting cunt-hole. Feeling my bell-end pressing into her slot, she pushed back hard – impaling herself on my rigid penis. Dipping her back, she worked her buttocks back and forth on my cock, her remarkably strong pussy muscles gripping the shaft as I shunted it ball-deep inside her.

With my cock fully embedded in her pulsing chuff, I kissed her back as my fingers sought her nipples and once again I stimulated her to orgasm. With her internal muscles constricting around my shaft it took all my effort to

withhold my own climax! Her body jerked as multiple orgasms rippled through her... and I used her euphoric state to persuade her to indulge in some botty play with me.

Promising her that I would stop if she experienced any discomfort, I waited until the last of her contractions had faded before withdrawing my penis. Pulling her bum-cheeks as far apart as possible I nosed my way upward from her pussy, my tongue licking the delicate skin in the depths of her arse crevice until I reached the dark delicate skin encircling her arsehole.

It was more alluring and erotic than I had imagined, and my tongue revelled in caressing the wrinkled, velvety folds of her

sensing that she was ready I inserted a second finger, pushing it easily inside.

To my surprise she looked back at me and invited me to "go right ahead" and stick my cock inside her. Thrilled by her positive reaction, I rubbed my cock up and down the cleft of her arse. She was wriggling her buttocks provocatively, encouraging me to fuck her hole!

I reached for the bottle of baby oil that I keep close at hand on my bedside cabinet, and squirted some onto my shaft. Then I dribbled some over her buttocks and massaged it into her cheeks, allowing a trickle to run down her arse-crack. Rubbing some oil into her ring I pressed my erect penis against her rear entrance, and pushed my bell-end just inside her. Estelle gasped as my thick cock entered her, and her tight sphincter stretched to accommodate it. Once inside, I thrust hard, shunting my weapon further inside her tight rectum. One last push and I was in to the hilt!

I waited for her to adjust to the sensation of having her arse corked. She was panting with excitement as I began to move my cock slowly in and out of her anal orifice. Gradually she began to move on my cock – pushing back into me vigorously as I repeatedly thrust forward. As we moved together in rhythm, her tight anal passage gripped my engorged phallus so tightly that it felt like she was milking me. And, utterly unable to hold off an instant longer, I shot my cream inside her virgin anus, filling her rectal cavity with my seed. It was everything I hoped it would be, and was made even better when Estelle sucked me back to hardness a little later and invited me into the pleasure garden that was her tightest hole again.

puckered little ring. With one hand I continued to play with her clitoris, keeping her on the boil as I rimmed her twitching anus. Ever so gently I pushed my tongue against the centre of her enchanting orifice, poking the tip as far inside the aperture as I could.

She stiffened a little at the first prod, but I soothed her, and with each successive prod of my tongue I squeezed gently on the nub of her clit until I could feel her sphincter give. Then, withdrawing my tongue, I lubricated a finger by dipping it into her warm wet cunt and coating it with her juices.

Circling the circumference of her anal rose with my moistened fingertip, I gently pushed it inside her. Estelle whimpered softly at the first intrusion into her rectum but I continued to stimulate her clit as I pressed forward with my finger and before long I was knuckle deep inside her. She was soon relaxed and began to enjoy herself, and

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Sarah Silverman is not only a genuinely hilarious woman – her sitcom was great, her stand-up specials even better – but she's a babe as well. A foul-mouthed, sassy, big-boobed hottie. She didn't show us what was under her clothes until the 2011 film *Take This Waltz*, where she went starkers in a shower scene. And she's waited three years to follow that up. But boy, was it worth it. It's only top twats, but the reliably sexy *Masters of Sex* sees her flashing her funbags after a lesbo tryst. It's a shame she's not getting it on with the show's sexy female lead Lizzy Caplan, but then again she is in the massive wank fantasy we're currently working on... ♣

AIDRA 

Fox rocks!

It's a swift return to the pages of *Club* for the fox that is Aidra, one that's happened so quickly we haven't even had chance to forward on her mail yet.

"Can't you guys hurry up," she demands, "I love a dirty letter! I'm hoping there are some juicy ones I can play with my pussy to. And if they've put their address in, I might just smear one or two with some of my cum and send them right back."

That's mighty kind of you, Aidra. You might notice that a few have what look like the Editor's handwriting, but don't be misled, it's a very common style of writing. He'd never do such a thing... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Frank Lamp-hard!

The days of referee authority are well and truly gone, as Baseel Abdul-Amir Saad perfectly demonstrated during an adult league match in the Detroit area by lamping the referee; critically injuring him. The assault took place after the referee indicated he was going to send Saad off. The 36-year-old has been charged with assault and intent to do great bodily harm, as the referee is still in critical condition. Saad is giving Suarez a run for his nashers.

Get him on
Jeremy Kyle!

43-year-old John Ruiz chose to have "In God we Trust" tattooed on his head but instead seems to have fallen foul of its irony as he was arrested on Saturday after leaving his 11-year-old daughter alone with a loaded gun. Neighbours reported seeing the child with a 22 caliber pistol hidden under a towel by their apartment

swimming pool. Ruiz's daughter reportedly told the police her father keeps the pistol in case of a break in. Ruiz was released after posting his \$15,000 bail. Somebody wasn't using his loaf.

Stripper Quartet!

Derrick Price, 43, wasn't singing after his barbershop was raided by the Metropolitan Bureau of Investigation on discovering it turned into a strip club at night. Price flounced alcohol and nudity laws as his moonlighting barbershop turned into a pussy palace every Saturday night. Subsequently, Price was arrested for a string of offences including employing dancers under the age of eighteen. At least he won't be out of a job, even inmates need their hair cutting.

One 9-year-old girl already appears to have a career in the making, after entering her local Police station and calmly telling the duty officer her parents were producing and peddling weed, according to the Star Tribune. The girl reportedly stated the smell of weed made her feel sick and that she was worried about the health of

the family dog. A search of the home produced several pot plants and smoking paraphernalia. Charges will be filed once the plants have been analysed by a lab. Not such a budding parent-daughter relationship after all. ♣

TALKIN' BLUE

FANTASY FULFILLED!

My girlfriend recently caught me looking at your magazine for the first time and, to my surprise, she was totally cool with it. In fact, she was really inquisitive; asking me what I liked about the girls and which bits turned me on the most. I told her that I often looked for girls that looked like her, but in filthy poses, as that was guaranteed to make me cum. I was well chuffed, as I used to have to hide porn from my previous girlfriend who was really prudish, but thought nothing much more about it.

When I went to stay at her's the other weekend, however, I let myself in to find a note just inside the door, saying there was a 'surprise' waiting for me in the bedroom. Walking in, I found a huge spread of magazines which I instantly delved into, poring over the mags and smiling to myself about what a great girlfriend I had. I'd been in there about five minutes when, to my obvious surprise, Alison appeared from the en-suite bathroom. After catching my breath, I caught

a full view of what she was wearing. She had on a leather corset, which was pushing her 32DD tits together, thigh-length boots and a tight diamond choker, with her hair up. She looked every bit as good as the girls I had just been getting aroused over, but the best thing was she was right in front of me.

"Is this what you're always looking for, or were you just saying that to make me feel better?" she questioned, saucily. "I think you know the answer to that!" I replied, moving towards her. I then realised that she had a dildo in her hand and, catching me noticing this, she said "Don't you want me to entertain you first?"

She got on all fours and positioned the dildo at her entrance, recreating the poses from your magazine. Each time she moved to a different position, I was desperate for her to put it in, but I knew she wanted to tease me until I couldn't take any more. The instant she pushed the rubbery head barely a centimetre

she had turned me on, drenching her tummy in seven or eight long spurts of jizz. Her ear-to-ear smile at how much I came forced a few final drips of spunk from my aching knob.

I really did feel like I had finally fucked one of the girls I've fantasised over since my teens and Alison said she couldn't wait to do it again – what a result!

BABE WATCH!

I'm sure your readers agree when I say there's nothing hornier than seeing women touch themselves. Even better when they bring themselves to orgasm right in front of you! My new girlfriend just loves masturbating for an audience, especially one as appreciative as me!

The second time we were in bed together, we were grinding our bodies together, my fingers inside her pussy and her hand gripping my dick. As she tossed me off with

“

I was so deep in her that I could feel my balls banging against her open bumhole”

in between her lips, I dropped to my knees on the floor in front of her, grabbed the dildo myself and drove it into her. She took the shaft from me and with both her hands clasping it, lay on her back dipping it in and out of her cunt, while I freed my dick.

I knew I wasn't going to last long, so I lifted her legs up high and wide and poked my swollen end in between her folds. I left just the tip of my dick inside her, whilst she slowly undid the corset. The first thrust into her was like heaven, and I fell on top of her, allowing her to wrap her boots around my arse as I took a face full of tit.

I was so deep in her that I could feel my balls banging against her open bumhole, and the sensation was driving me wild. Her corset open, but still around her, she pushed it back together, showing me inches of cleavage and it instantly made me jizz. The first spurt filled her pussy, but I had to yank it out to show her how much

one hand, I suddenly felt the tips of her fingers moving against my palm as I moved my own fingers rhythmically in her cunt. Frigging her clit, she then took my hand from inside her and put it around my own shaft. Moving back so I could see, she lay on her back and spread her legs. She then ran both hands over her tits, across her flat stomach, before dipping them over her mound into her crotch. I needed no encouragement to grab my own cock and was wanking it slowly at what was unfolding in front of me.

Using two fingers, she parted her lips so I could see her pink, and sucked the index finger on her other hand. Keeping her flaps apart, she ran her moist finger over her protruding clit and began to rub it slowly at first, speeding up steadily. Her pussy was still exposed and my prick was already aching with the thought of going up in there. However, I knew she wanted me to watch, so I gripped my dick tightly to stop myself from spurting too soon.

She was now running her finger down over her clit, and into her hole, pulling it back out and repeating the movement again. Her nipples were erect and I stared at them, imagining sucking them hard whilst I fucked her. Between her legs, her finger was searching past her slit and around to her bum. Rocking back and pulling her knees towards her chest she stroked her puckered little hole and teased me by putting her little finger in slightly. As her sphincter loosened, she was soon knuckle-deep into her arse and her cunt at the same time. Watching her poke her fingers in and out of her holes was incredible and I knew I was going to shoot my wad very soon.

What pushed me over the edge, however, was when she rolled over onto her front and began to frig herself whilst burying her face in the pillow and bouncing against the bed, as if she was fucking her hand. Then, to my disbelief, she raised her bum up in the air and on all fours started to spank her own backside whilst she grunted, "I'm cumming, I'm cumming."

My eyes fixed on her climaxing heavily and biting down into the pillow, made my spunk race through my shaft, before I could prepare myself. I emptied half my load over her hips and arse, and she turned around in time to catch the final few spurts in her mouth. She took the remainder of my load down her throat, before wiping her mouth with the back of her hand like a total slut and then flashing me a filthy look. "I love to be watched," she said, "you don't mind, do you?" Now that

“ **Her pussy was still exposed and my prick was aching with the thought of going in there”**

really was a stupid question.

Jason, Wiltshire

RED OR HEAD!

My earliest memory of being sexually attracted to redheads is from my last year at secondary school, shortly after my 18th birthday. We had an auburn-haired science teacher with legs that went on for miles and a huge soft pair of tits that would give any red-blooded youth the world's biggest hard-on. I always made sure to get to her science classes early, so I could get a seat up front for the best view in the house. She wore short skirts and mini-dresses and was in the habit of putting her legs up on the desk, sometimes kicking her shoes off and wriggling her toes. In retrospect, I think she must have known how exquisitely she was torturing us – and was enjoying every minute of it.

To this very day I am crazy for redheads. The very sight of one in the street kicks my imagination into overdrive. Even so, I never had much success with the genuine articles... until this past spring when I was on holiday in the Algarve. On the afternoon of the day I arrived, I walked from the apartment complex to the nearby port to get some air. I was looking at the boats moored in the marina when my attention was grabbed by a dazzling red-haired woman who was boarding a white Sunseeker sports boat.

Once on board she looked around her as

though to see if anyone was watching her. Then, to my delight, her hands moved to her jacket buttons and she undressed slowly, seeming to revel in the feel of the warm sea air on her skin. As her clothes gradually accumulated around her feet, she was left in just bra and panties. Standing with her face towards the evening sun and with the soft breeze ruffling her red mane, she reached back for the clasp of her bra, flicked it open and let it fall to the deck. I was transfixed – not to say gobsmacked, totally absorbed in her every tiny movement.

Smiling, or so I thought, she gently dug her thumbs into the waistband of her panties and began to inch them down over her buttocks, wriggling as the rucked-up gusset slipped out of the cleft of her beautiful arse. She eased them down her thighs, holding on to them all the way down so that she had to bend at the waist and as she bent over, her cheeks parted, brazenly flashing her puckered rosebud. To my disappointment, she donned a skimpy shiny blue bikini, covering up her snatch and breasts once again.

She stretched like a cat, then settled down on a bench and began to massage her body slowly with sun tan lotion, appearing to absolutely luxuriate in the exercise. She ran her hands up the insides of her thighs, working the lotion in; then, moving up towards her quim, she dipped her fingers into her bikini bottoms and began to massage her

pussy lips. I thought I was going to go insane, and just couldn't understand why she didn't see me, watching from behind the bow of an adjacent boat and gently stroking my cock through my trousers. Unless, of course, like my old science teacher, she knew full well that she had a very appreciative audience!

She cupped her breasts and pinched her nipples through the shiny fabric of her bikini bra. Without even a trace of self-consciousness, she wiggled out of her bikini briefs, allowing the light warm breeze to blow freely across her clean-shaven mound. She clenched her bottom, arched her back and spread her thighs, allowing me a full view of her milky rude bits. Moving her right hand down the soft plane of her tummy, she slipped an extended finger into the top of her slit. She was going to masturbate! As she rubbed her hot little clit button I could see her writhe and wriggle on the seat, working away furiously with her right hand, until – gasping so loudly I could hear her – she orgasmed.

The show over, she turned slowly in my direction, revealing all her charms, and as I watched, still transfixed, she strolled languidly across the deck and softly called out for me to show myself. I stepped into view, acutely aware of the enormous boner tentpoling my trousers, and lamely tried to justify lurking while she wanked herself silly.

She looked me over appraisingly, then, staring straight at my cock which was literally straining against the fabric of my trousers, asked me if I would like to join her for dinner. I had already eaten, but looking at her magnificent figure and red hair I kept my mouth zipped.

I stepped on board as she took a bottle of wine and some bread from the fridge, and came and sat beside me on the deck. Over supper I learned her name was Caroline, that she was on holiday with her father, a London stockbroker who had retired and was now living in Spain, and that the boat was his. She liked to borrow it when her boyfriend was with her, but they had recently broken up. I offered insincere words of sympathy, delighted at the opportunity to move in and hopefully get my leg over.

The sun was still warm and we lay together on a crescent-shaped seat on the deck. Her perfume smelled exotic and I soon became aroused again. As if sensing my need, she suggested we get comfortable and, pushing me back into a lying position, she climbed onto the seat and knelt over me, her legs on either side of my face. My hands reached up to grab her well-rounded bum cheeks, and

she lowered her heavenly pale quim onto my face, supporting her body with her forearms, crouching over me in the classic 69 position. My head spun with bliss as I drank in the heady perfume from between her thighs.

Becoming almost insane with arousal, I pulled her pelvis down onto my mouth and began to eat her out voraciously. Soon her pussy was sticky with saliva and quim juice, and I ate her so thoroughly that the syrupy wetness soon covered all of my face and her thighs. My tongue slid along the fleshy folds of her sopping labia before dipping into the sticky aperture of her hot, willing cunt. I repeated this manoeuvre time and again as she writhed and bucked on my face, stimulating her honeypot and flicking her clit with my tongue until she was continuously dripping pussy nectar. I then began to suck her, my mouth covering her slippery pussy

lips and nibbling on her clit. Caroline positively writhed in excitement and I could feel her shudder with pleasure as she pushed harder onto my face and came.

To my delight, instead of resting, she immediately began fondling my dick, kneading it between her fingers until I could feel the blood pulsing through the shaft. She then started to lick and suck my ball sac gently and teasingly with her tongue. Her pink lips ringed my swelling shaft insistently, gobbling it until I was as stiff as a poker. Then she sank down even deeper onto me until the bell-end of my cock was nudging the back of her throat. I moaned involuntarily as she licked and pulled with her soft wet lips until my throbbing organ was not simply fully erect but upright and quivering, so swollen with my need that it was almost painful.

Watching her auburn locks bobbing up and

“The insides of her thighs lubricated with her own cream as she slid up and down my prick”

down as she worked on my shaft inflamed me so much that I became desperate for relief. I longed to plunge my pork sword inside her gash to the very hilt, to be ball-deep in this young slut. “Let me fuck you,” I said, and like the good sport she was, she immediately altered her position, sitting astride me – her cunt hovering over my upstanding penis. She positioned herself for entry and, with a groan of excitement, impaled herself squarely on my thick rod.

She rode me vigorously, encouraging my engorged shaft to go in and out of her like a great flesh piston. I could feel her vaginal muscles tightly gripping my cock as spasms juddered through the warm velvet glove of her vagina. She stifled a scream as she climaxed, quietly moaning in its aftermath as wave after wave of pleasure engulfed her. I was close to ejaculation but tried desperately to hold off as I was having the fuck of my life and didn’t want it to end too soon!

My hands reached up for her swinging tits – they were milky white, so pale you could just about see the blue veins underneath – and at my touch her nipples hardened visibly. She began to work herself towards a second orgasm, the insides of her thighs lubricated with her own cream as she slid up and down my prick. I felt her pleasure stir and build within her again as she rose above me to ride my hot cock like a jockey.

She moved her head from side to side, moaning quietly and, as she did so, her red hair lashed me in the face, stimulating me to greater thrusting efforts. Consumed with lust, my boner jabbed her with its full length as she used me like a human dildo and spasmed with sudden convulsive jerks to a second orgasm. I followed suit, splashing my load deep inside her. It was the fuck of a lifetime, and there and then I promised myself that I would woo this woman and marry her.

We get hitched next spring, and she’s still as horny now as she was on our first encounter in Spain. The vision of her red hair fanned out against the white deck is my fondest memory of our first meeting, and I plan to take her there every year for a repeat performance! *Larry, Newcastle ♣*

NATALIA ♣

The woman in white...

The delectable Natalia has rarely looked as classy as in these pics, all got up in white lace and looking as demure as it's possible to be in the pages of *Club International*.

What's even better is that we know that butter would actually melt in her mouth, in record time, and cocks would melt too. Natalia might look shy or too classy, but she's a girl who loves to get down and dirty. This white dress? It doesn't stay white for very long... ♣

CASSIE ♣

The wet look...

Cassie was a school and college swim champ, so it's no surprise that she's got a trim body and an affinity for the wet stuff. But she doesn't like water, she frickin' loves it!

"I spent so much time in it at college that, of course, things happened with other members of my swim team. So now I'm addicted to sex in the pool. It doesn't even have to be sex – just a finger under the water, snaking round the fabric of my swimsuit – that drives me wild."

But how do we tell if you're wet or not?

"Good question. Just assume that I am – I'm horny pretty much every minute of the day as it is!" ♣

MARRY ♣

Finger bobs...

Marry doesn't mind the fact that we've always wondered why she isn't called Mary. She also doesn't mind that we might think it's because someone misspelled her birth certificate. She's very tolerant about that stuff.

What we're not allowed to get wrong is that she's addicted to sex, gets wet being photographed, wanks over dirty letters from fans and even wanks over her own photos in *Club* because she knows you'll be doing the same. In other words, she's our hero.

"I know, I'm so dirty," she says. "But I can't help it. I'm not wanking to myself, I'm wanking to all the guys with hard dicks in their hands. That makes my pussy drip so much!" ♣
